

# ICEPT 2026 Abstract Submission Instructions

## Submission of Abstract

Abstracts are solicited to describe original and unpublished work. The abstract should be approx. 500 words and contains a clear statement of the background, methodology, results, and conclusions. All abstracts and manuscripts must be in English and should be submitted through online submission system. The instructions for abstract submission can be found at the conference website <http://www.icept.org>. All accepted manuscripts will be submitted for inclusion into IEEE Xplore. Selected papers will be recommended for publication in related IEEE/EPJS journals.

## Template for Abstract Proceeding

For those who are only interested in attendance and making an oral or poster presentation, please submit your abstract(s) via the paper submission system. Abstracts should be in PDF format (file extension .pdf) according to the template below: [Abstract Template](#)

## Template for Conference Proceeding

Authors are invited to submit technical papers on their research relevant to the conference theme. Accepted papers will be published in Conference Proceeding and then will be submitted for inclusion into IEEE Xplore.

Authors must format their papers using our Microsoft Word templates: Microsoft Word templates.
